

GOLFBUDDY PT4 INSTRUCTIONS

Included in your Quick Clip package are three (two for spares) belt clip hook/3M adhesive disk assembly, alcohol wipes for cleaning the oils, dirt, dust (and other yucky stuff) from the back of your PT4 (this is very important as it will assure optimal adhesion) and three extra 3M adhesive disks. It's very important that you clean the back of your PT4 (Don't use soap and water!) with the alcohol wipe. Allow it to air dry. Peel the paper backing (either side) off of one of the belt clip tab/3M adhesive disk assemblies (see picture below). Very carefully place the belt clip hook on the back of your PT4 in the spot of the white circle as shown in the picture below. Be careful -- once the 3M adhesive touches your PT4, it wants to stick like crazy. Once it's in place, put pressure on it for 25-30 seconds then allow it to "cure" for 48-72 hours before using your PT4 on the Quick Clip. This also enhances the adhesion.

VERY IMPORTANT: If you follow the directions "to the letter", the belt clip tab/3M adhesive disk assembly will stick instantly and you won't be able to remove it using your fingers/hands (you may draw blood). It certainly cannot come off during your everyday use on the golf cart.

If you ever want to take it off, simply warm the belt clip tab/3M adhesive disk with a hair dryer or heat gun (on low setting) for several seconds. It still won't be easy to pull off but with some effort, it will peel off and usually without any residue. Don't re-use that 3M adhesive disk as it loses some of its adhesive properties when it's been removed. The belt clip hook can be re-used but be sure to clean it with alcohol before placing a fresh new (included) 3M adhesive disk on it.

See the attached picture of the back of your GolfBuddy PT4. We've added a white circle on the exact position where you should place the belt clip hook/3M adhesive disk assembly for the best center of gravity. If you need more of the belt clip hooks, alcohol pads or 3M adhesive disks, send us an e-mail with your full name and address and we'll send them to you at no charge.
